EDITION 9

RACING INTO 2024!

February 2024

REWARDS RANGE

Welcome to **Edition 9** of the Greenmill Customer Rewards Catalogue.

To keep the Customer Rewards catalogue fresh and exciting, we aim to include something new in every edition. Our latest Edition 9 catalogue turbo-charges the scheme with the introduction of Greenmill Reward Experiences, including a supercar track day, the Shard experience and other spectacular Virgin Experience Days. Plus there's some great new gifts, quality toolage and loads of your favourites. What will you choose?

When you work hard week-in-week-out, it's nice to have a little extra reward to look forward to. It's even better when that reward could be you flooring the Lamborghini around a 9-mile track on the Triple Supercar Blast Experience. Maybe you like your rewards a bit more panoramic, with dinner and cocktails at The View from The Shard. Or if you're looking for something more grounded, there's beer tasting, gin distilling, a whisky masterclass and a golf lesson with a PGA pro*.

Edition 9 also includes some great new gifts, including the Woodlands Fudge Box, the clever Amazon Alexa Echo Dot, stylish Apple AirPods, plus some quality new Wera tool sets. We've even got the fun and funky limited edition Wera "Round of Screwdrivers" set with a Tool Rebel serving tray, bottle opener and coasters. And don't forget, there's all your favourite designer gear, sports kit, home tech, sweet treats and toolage from big names like OX, Wera, Rothenberger, TradeTidy and Knipex.

Chris Tame

Sales Director

**Many of our new Reward Experiences are available in various locations around the UK. Why not get in touch with one of our team, who can help you choose your experience and talk you through what to do next.*
