

Summer Rewards Supplement

What makes Summer special? Strawberries and cream at Wimbledon, the Olympics in Paris, the Euros in Germany. And of course, the Greenmill Rewards Summer Supplement.

The new supplement includes loads of great seasonal gifts to get your Summer even more sizzling. BBQ wherever you are with the Weber Go Anywhere grill, and keep your beers cool while you're grilling with the Igloo Coolbox.

There's outdoor games to keep the kids and adults active, including Giant Jenga and a Dunlop Volleyball set. Prefer just to chill? Take your pick from the Regatta Camping Chair, Bestway Swimming Pool, or even the nifty Ninja Ice Cream Maker.

We've also introduced some superb new Rewards Experiences to get the pulse racing. There's a stunning Hot Air Balloon Flight, exhilarating White Water Rafting, and you can even try your hand at Axe Throwing. It's Summer, what will you choose?
